Delhi Public School Budaun

He...groomed at DPS and you...?

Raghu Ram Rajan
EX -GOVERNOR OF RBI

Our Vision and Mission

Education beyond Boundaries

At Delhi Public School, Budaun, our vision transcends the conventional realms of education. We envision a learning environment that goes beyond the ordinary, where every student is not just taught but nurtured, empowered and inspired to reach their highest potential. Our commitment lies in fostering a holistic approach to education that not only imparts knowledge but also instills values, ignites creativity, and resilience.

Our vision extends beyond academic achievements, emphasizing character development and a deep sense of social responsibility.

Delhi Public School, Budaun, is driven by a Mission to redefine Education as a transformative experience. We aim to empower our students with a comprehensive set of skills, enabling them to excel academically and thrive in a rapidly changing global landscape. Rooted in values, our mission is to foster a culture of respect, collaboration, and a sense of responsibility towards society.

THE SPREADING GREENS

From the Manager's Desk

It all begins with a vision to initiate the educational journey from DPS, Budaun, aiming to reach the sky.

Dear children and my DPS family,

My heart fills with utmost pleasure as I perceive the growth and accomplishments made at the school.

With a redefinition, refinement, reimagination and reinvention of our goals, the school has gained its iconic stature as a trendsetter in education. The objective is not just to "instruct" but to "inspire" and install a quest for new pursuits, not to merely learn but to acquire emotional maturity and spiritual insights.

Creating new generation of learners learning to expand their horizons, spreading their wings towards change, empathy, and empowerment. I am determined to empower our students not only with knowledge but also a good character, to achieve the desired goals in all aspects of life.

I believe a healthy attitude is contagious, which isn't inherited, rather one builds it daily by the way one thinks and acts, thought by thought and action by action.

Let our children grow as world-class citizens... a generation of eminent thinkers, wise planners & great philanthropists. That's what I wish and aim for.

With warm wishes and blessings.

Jyoti Bharti
Manager, DPS Budaun

From the Principal's desk

Education is a tool which can help us to bring about the changes that we wish to see in the world. We want to create a generation of learners who can think independently and can adjust and adopt to an ever changing environment. We have to remember that our children belong to a different era. We do not know what the future holds for them. The best we can do for them is to prepare them for anything that life might throw at them.

We at Delhi Public School, Budaun consciously try to move away from rote to experiential learning. We try to arouse the innate curiosity and creativity in every child by activity based leadership. We know that EVERY CHILD is capable of achieving the best of his/her own potential when a conducive environment is given. We create situation where our students have to think. We know that every student will create a niche for himself and will make us all proud.

As we venture ahead and spread our wings in this spectacular valley of value-based education our endeavour is to strike a balance between state-of-the-art- infrastructure and a robust curriculum that opens the door to global platforms for our peace loving and problem-solving students. Activities and events related to value education, environment, health education, games and sports, visual and performing arts, culture and heritage, personality development are effectively woven into the main fabric of school curriculum.

Revolution is a much-needed impetus for the growth of the human society, especially in the field of education. The latest revolution in the system of Indian education has come with the origin of National Education Policy (NEP) 2020

Inter-disciplinary approach is the vision of the NEP. Art-integrated education will be embedded in classroom transactions not only for creating joyful learning but also for imbibing the Indian art and culture in the teaching and learning process at every level. This art-integrated approach strengthens the linkages between education and culture. The students can be assigned projects of art integration encompassing two subjects that will focus less on theory and more on understating and creativity for better comprehension of the concept.

I strongly believe that education is a collaborative effort that involves professional administrators, committed teachers and motivated students. We dedicate ourselves as professional administrators in creating a dynamic education programme empowering the students in a global perspective.

We are a group of diverse experiences and outlooks, committed to excellence in preparing learners for enriched opportunities worldwide. In short, learning at Delhi Public School is a wholesome package of attitude, challenge and opportunity.

With Best Wishes,

Shubhra Pande
Principal

PRE-PRIMARY SCHOOL

The pre-school has access to a spacious outdoor playground with separate areas for games and a nature area for the children.

Here, we make sure that your child is in safe and caring hands.

Choosing the right school for one's child is a difficult decision for any parent to make. We aim to create a secure, friendly and cozy environment that is stimulating for the child and will give parents confidence.

Our surroundings assist the transition between home and pre-school whilst also supporting the transition between pre-school and school. Our priorities are the physical, emotional, intellectual and social well-being and development of the children in our care where children can learn and develop positively as individuals and benefit from the space the pre-school has to offer.

PRIMARY SCHOOL

Grade 1 to 5

Step into the vibrant world of learning at Delhi Public School Budaun's Primary Section, encompassing classes I to V. Here, education is not just about textbooks; it's a journey of exploration and wonder. We go beyond traditional teaching, focusing on character development and instilling values that will guide our students throughout their lives. In the Primary Section, every day is a new opportunity for discovery, growth and building a strong academic foundation. Welcome to a place where education is not just a process; it's an exciting adventure for our young learners!

MIDDLE & SECONDARY SCHOOL

Grade 6 to 12

The middle age of a child is nurtured to excellence by addressing the physical, emotional, and intellectual shifts they undergo. The school, dedicated to holistic development, serves as a dynamic center encompassing field trips, excursions, student exchange programs, and community-centered social work, thus forming an integral part of our educational paradigm.

By seamlessly blending academic rigor with experiential learning, the school aspires to equip its students not only with knowledge but also with the critical skills and perspectives necessary to thrive in our ever-evolving world.

In essence, our middle school experience is a transformative journey that lays the groundwork for well-rounded, intellectually curious, and socially aware individuals.

CELEBRATION OF SPECIAL DAYS

CO-CURRICULAR ACTIVITIES

DANCE : Both Indian and western dance is taught to our school students. When Indian Classical dance is taught, students enjoy the varied foot positions and hand gestures associated with our classical dance styles. Periodic presentations and special assemblies to celebrate festivals showcase dance presentations on a particular theme. Students gain valuable knowledge through this process of creative learning and also become deeply sensitive to our rich traditions and heritage. Their young bodies become supple and their minds become more alert and active, through the process of memorising and learning the choreographed steps. Systematic training enables them to also learn the choreographic process eventually. Dancing is truly a refreshing way to fuse school schedules with creativity and a commitment to perfection.

MUSIC : Schooling at Delhi Public School, Budaun goes beyond teaching with popular songs and melodies to increase student interest, classical training in music is also imparted and it has been keenly observed that students respond very favourably to classical training. Festivals and presentations held from time to time in the school are occasions to showcase budding talent in the school. The students also regularly take part in several inter-school events and have done the school proud by winning many of such events. Undoubtedly, the pursuit of such creative activities adds another meaningful dimension to school life.

SPORTS : At Delhi Public School Budaun, Sports training is imparted to the students in order to inculcate in them a feeling of sportsmanship spirit, team spirit, self discipline and a spirit of general well-being. Every student participates in a Sports Activity of his/her choice. A well defined syllabus for each sport of their choice, enables them to pursue with interest, the game of their liking. A competitive spirit coupled with self discipline and sound health, form the motto of our Sports Activities. Class, Inter-house and Inter-school competitions are organized on regular basis to inculcate a healthy competitive spirit. Sports events like athletics, volleyball, table tennis, snooker, cricket, football, chess form an integral part of the sports curriculum of the school. Inter house championships help to generate camaraderie between students, a sense of competitiveness, brotherhood, discipline, positive attitude and very importantly, the fact that losing is as significant as winning.

JUNIOR ASPIRANTS - Building a better future, by teaching one strong foundation this time. Delhi Public School, Budaun is moving towards providing innovative and quality education with high standards to achieve academic excellence. That is why we have introduced CIVIL CLASSES as an obligatory subject, under the name JUNIOR ASPIRANT, for the students of class V and above. We strongly focus on General Science, General Knowledge, Indian History, Politics and Reasoning. The main objective is to focus on the young aspirants to progress and designate to Preliminary, mains and mock interviews.

CODING CLUB 2.0 - Delhi Public School, Budaun, proudly collaborates with UOLO Tekie, a Delhi NCR-based company, to provide an immersive coding experience for students. In our fully furnished lab, students receive individual IDs and passwords, enabling them to practice coding at home, as well. With a focus on web development using HTML, CSS, Python, Code.org, Blockly, Canva and many more, students also engage in live projects, showcasing their coding prowess. Our commitment to hands-on learning, supported by dedicated teachers, ensures students grasp coding concepts and apply them creatively. The culmination of their efforts is celebrated at our Coding Exhibition, where parents and teachers witness the impressive projects and coding skills our students have honed, fostering a community that values excellence and innovation.

ADVENTURE CAMP : Lifelong memories are only a camp away! For the holistic development of a student, Delhi Public School, Budaun provided an enriching and rejuvenating experience for the little munchkins of Classes Nursery to V within the safe environs of the school premises. The adventure camp was scheduled on 21 & 22, December, 2023 during the school hours.

The Adventure Camp aims to set up team-building activities to encourage groups to work together and communicate. Thrilling and exhilarating entertainment, enhancing of life skills, develop basic athletic skills, balancing coordination, enhance the gross motor skills were the objectives of the camp.

The campus was buzzing whole day as campers got busy in Commando net, zip line, tarzan swing, sport climbing, burma bridge, hopscotch, tug of war, rope ladder climbing, body zorb, hipity hop race, hamster wheel, trampoline, zorb roller, laser beam, tent pitching, double rope bridge and commando crawl which gave them an instant adrenaline rush.

It was thrilling to see the children geared up to the hilt, to enjoy the fun and excitement. There were loud peals of laughter and friendly jibes as the students shared interesting anecdotes and experiences.

VISIT TO PRESIDENT HOUSE : "The Children of today will make the India of Tomorrow"-Pandit Jawahar Lal Nehru

Heartfelt Gratitude and Sincere thanks on behalf of Delhi Public School, Budaun and the entire fraternity of the Institution to the Hon'ble President of India Droupadi Murmu who assumed the role of an affable teacher and guided our students while interacting with them on Children's Day at Rashtrapati Bhavan.

Gratitude to our dedicated team, Mr. Puneet Saxena, Mr. Rajeev Samanto, Ms. Anushka, and our spirited class 8 & 9 students for representing us so well!

ISRO VISIT : DPS Budaun proudly takes the lead as the first school in the District to provide an extraordinary opportunity to its students. A group of 17 enthusiastic students, under the supervision of Mr. Puneet Saxena and Ms. Shivani Yadav explored the wonders of space at ISRO, Hyderabad. The visit, welcomed by T. Shanker Prasad, featured an enlightening session with Dr. R. Srinivas, unraveling the rich history and mission of ISRO 'This remarkable experience, moving beyond the classroom, showcases our commitment to offering unparalleled educational opportunities.

BEYOND THE SCHOOL

TRIPS : At Delhi Public School, we strive for an expanding and challenging facet to our children's experiences in School. We hope that each day becomes a rich one, never boring and always impactful. The Word; 'excursion' brings a smile of expectation and curiosity to each young scholar.

An excursion calls for a redefinition of what a school activity is. While each excursion, academic or extra, must give an experience, each small piece of interaction must build into a larger mosaic of understanding.

Day trips to various places like the ISRO, World Cup, Nainital, Bhimtal, Agra, Mussoorie etc. are conducted. Adventure sports camps are also undertaken at school premises. These trips inculcate the spirit and quest for adventure and camaraderie.

WORLD CUP : Being steadfast in its commitment to holistic education, Delhi Public School, Budaun synchronized a transformative 3-day excursion to Lucknow, transcending the conventional boundaries of classroom learning. The meticulously planned itinerary unfolded an enriching tapestry of cultural and experiential education. On the inaugural day -- 15th October, 2023, participants immersed themselves in the architectural grandeur of Bada Imambara, Bhool Bhulaiya, and Roomi Darwaza, a testament to Lucknow's historical opulence. The sojourn continued with a visit to Sahara Mall, enhancing the students' exposure to contemporary urban environments. The second day i.e. 16th October, 2023 featured an insightful tour of Vidhan Sabha, followed by witnessing the exhilarating ICC Men's World Cup clash between Australia and Sri Lanka. Culminating the day, Phoenix Palassio Mall hosted a cinematic experience, with the screening of "Mission Raniganj." The final leg of this educational odyssey unfolded at Lulu Mall on the third day i.e., 17th October 2023, offering a culmination of cultural, historical, and recreational insights, fostering a multifaceted approach to learning beyond the conventional classroom paradigm.
